

## Department of Environmental Protection Technical Reports

Reports on various technical projects undertaken by the Department of Environmental Protection. These reports are not available in PDF format but may be obtained from the Information Centre on request.

**1. Distribution of seagrasses in Princess Royal Harbour and Oyster Harbour on the Southern Coast of WA**

**Date Released:** 01 May 1986

**Status:** Final

**2. Ecological significance of Blue-Green Algal Mats in the Dampier Mangrove Ecosystem**

**Date Released:** 01 May 1986

**Status:** Final

**3. Analysis of coral community data using multivariate techniques and their application to other community data**

**Date Released:** 01 May 1986

**Status:** Final

**4. Technical Reports on the Hydrology of Pink Lake**

**Date Released:** 01 February 1986

**Status:** Final

**5. Nutrient Load reduction, water quality and seagrass dieback in Cockburn Sound 1984-1985**

**Date Released:** 01 February 1986

**Status:** Final

**6. Nutrient loading and phytoplankton blooms in Lake Joondalup Wanneroo**

**Date Released:** 01 February 1986

**Status:** Final

**7. Wittenoom airborne asbestos study**

**Date Released:** 01 February 1986

**Status:** Final

**8. Aspects of the effects of fluoride in the environment at Kemerton**

**Date Released:** 01 May 2000

**Status:** Final

**9. The nutrient status of Wilson Inlet (1984-1985)**

**Date Released:** 01 May 2000

**Status:** Final

**10. Inland waters of the Pilbara, Western Australia**

**Date Released:** 01 July 1986

**Status:** Final

**11. The ecology of Posidonia seagrass fish communities in Cockburn Sound, WA**

**Date Released:** 01 August 1986

**Status:** Final

**12. Sources of disturbance to mangroves in tropical and Western Australia: Hypersalinity and restricted tidal exchange as factors leading to mortality**

**Date Released:** 01 September 1986

**Status:** Final

**15. Decline of seagrass beds in Princess Royal Harbour and Oyster Harbour, Albany, WA**

**Date Released:** 01 February 1986

**Status:** Final

**16. An overview of environmental problems in Princess Royal Harbour and Oyster Harbour, Albany, with a discussion of management options**

**Date Released:** 01 August 1986

**Status:** Final

**18. Examination of materials and effluents from superphosphate fertilizer production for pollution control purposes**

**Date Released:** 01 August 1986

**Status:** Final

**19. Collected Technical Reports on the Marmion Marine Park, Perth, WA**

**Date Released:** 01 August 1986

**Status:** Final

**20. Impacts of proposed developments on the benthic marine communities of Geographe Bay**

**Date Released:** 01 August 1986

**Status:** Final

**21. Effects of Boat Moorings on Seagrass Beds in the Perth Metro Region**

**Date Released:** 01 August 1986

**Status:** Final

**22. Dispersion of atmospheric pollutants from Point sources in a coastal environment**

**Date Released:** 01 August 1986

**Status:** Final

**23. Ecology of Sclerectinian corals in the Dampier Archipelago, WA**

**Date Released:** 01 August 1986

**Status:** Final
